Documentation and test

SELIP develops the manufactures in fiberglass FRP, that are always complete with the documentation of LIV1. Other levels upon customer request are extra.

Technical and test documentation can be provided in Italian, English or German and in the times and manner provided for the contract.

LEV1 – Level 1 = included in the scope of supply

LEV2 – Level 2 = provided upon customer request on payment

LEV3 – Level 3 = provided upon customer request on payment
